

## **Best Western Great Britain reveals ‘blooming’ good Mother’s Day stays**

*Treat your mum to a floral-infused Mother’s Day on Sunday 26<sup>th</sup> March*

This Mother’s Day, Best Western Great Britain is encouraging families to ditch the traditional flower bouquet, and give their mums a chance to see some of Britain’s best blooms first-hand instead.

Spring is the ideal time to escape to the countryside and see daffodils, tulips and beautiful drifts of white snowdrops, or tour the more formal spring gardens of the [National Trust](#) properties located across the UK. With Best Western Great Britain’s Winter Campaign offering up to 50% off, families will be able to give their mums a gift she won’t forget. In March and April, the flowers are in full bloom, promising a visual treat.
